Doing some work around the house?

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

Permits are required if:

- *You cut away a wall or any portion thereof*
- *You cut any structural beam or bearing support*
- *Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover*
- *Installing, replacing or re-locating a hot water heater*
- *Installing, replacing or re-locating any water drainage or venting*
- *Installation of heating or air conditioning systems*
- *Installation or upgrading any electrical wiring or plumbing*

Permits are not necessary, but permission from the Co-Op is if:

- *You add or replace shutters, awnings or railings*
- *Installation of Solar tubes*
- *Installation of Satellite Dish (TV)*
- *Window replacements*
- *Tree planting – location to be checked*

Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started.

If you're having work done call the Maintenance Department and check if any of the above applies to your project.

SNOW REMOVAL SCHEDULE

- *Roads will be cleared as soon as 3" of snow has fallen (regardless of the time of day)*
- *After all roads are passable, the Maint. Dept. will start clearing driveways and sidewalks.*
- *Duplex driveways will be cleared and should be considered as sidewalks.*
- *Quads will be cleared by pushing snow forward or to the side, depending on the position of the unit.*
- *Sidewalks will be cleared as soon as possible, depending on labor availability.*
- *There will be no deviation from our snow removal program.*
- *It would be a good idea for each resident to stock their pantry with enough emergency food so that you will not have to venture out in bad weather.*
- *Keep a bag of Ice Melt on hand for sidewalks and steps.*

*For those residents who are employed, your employment will not entitle you to priority snow clearing. We ask that all residents exercise patience and understanding. You can be an asset to our snow clearing operation by **NOT** calling the Maint. Dept. to request individual attention. The **ONLY** people who can authorize snow clearing priority are the Trustees.*

Special consideration for priority clearing will only be granted for medical appointments and outpatient treatments. You will be required to furnish your doctor's name, phone number and time of appointment. Your appointment and the doctor's availability will be verified before any priority snow clearing is authorized.

Your cooperation will be greatly appreciated.

Thank you,

Board of Trustees

CHANGE IS GOOD ??? YES !!

The Anniversary Committee began meeting last summer and plans were made for a variety of activities to celebrate the 50th Anniversary of Village I. Plans do not always work out the way we had hoped. I am sure you have noticed the postings on the doors of the Clubhouse about the renovations to Friendship Hall which will probably have begun by the time this newsletter is delivered. Friendship Hall will not be accessible for at least the month of February. However, any construction project is subject to many things over which we have no control. Permits, inspections, delivery of materials and weather are all things that affect the timetable for project completion. Therefore, we ask that everyone cooperate and look forward to the makeover results which will perhaps most importantly include the installation of acoustical ceiling materials and renovation to the bathrooms to make them handicap accessible. See the changes on another page in this newsletter.

The June 1st Residents Club Meeting will be an Anniversary Celebration honoring all couples who have been married at least 50 years. I hope many will plan to be part of this wonderful night.

PLEASE NOTE.....Included in this newsletter is a page regarding ads in our anniversary booklet. We would love to have an ad from every business that our residents patronize represented in the booklet. Ask your business and medical providers if they would like to place an ad. Give them a copy of the ad page or call the Trustee office and speak with Joanne and she will send them one. If you want to place a personal greeting, please note the details for such entries. One line greetings are \$5.00. Thank You for participating.

We want to include all who wish to help. Our committee consists of six people, however we have seen over the years at previous activities and fund raisers, that it take the cooperation and many working together for events to be successful.

Special events are scheduled throughout the year, so please feel free to call and give your name a second time.

Thank You, Dot Wentworth
