Trustees Notes:

CHARLOTTE SPROFERA

Following a courageous battle with lung cancer, Charlotte passed peacefully in her sleep from this world to the next on Wednesday, September 23rd. Our sympathy is extended to her family: John, her husband of 42 years; her son, John and his wife Kirsten and her beloved granddaughter Lucy. Charlotte has served village one over the years in many capacities. She will long be remembered by those who participated in Monday night Texas Hold Em', Bocce & Shuffleboard, Election committee chairperson, ADR committee chairperson, the Golf Club and those who served on the Board of Trustees with John were fortunate to count her as a friend.

Maintenance Operations!

New vinyl siding installations have been complete on Fairway Lane and work is under way on Highland Drive. As of this writing, work is about to start on the third building on Highland.

Roof cleaning is complete for this year and will resume in the Spring. Power washing will continue until mid October.

Driveway replacements continue this month. Replacements being done numerically by home address.

Please note: There is a minimum charge for all service calls to your home for interior work that is not provided by the Co-Op as part of services included in your monthly fee. The only services provided inside your home at no cost are....

- Smoke Detector and battery
- Carbon Monoxide Detector (Homes with garage only)
- Light bulb replacement (you supply the bulbs)

All other calls will be charged a \$15.00 minimum fee.

Doing some work around the house?

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

Permits are required if:

- You cut away a wall or any portion thereof
- You cut any structural beam or bearing support
- Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover
- Installing, replacing or re-locating a hot water heater
- Installing, replacing or re-locating any water drainage or venting
- Installation of heating or air conditioning systems
- Installation or upgrading any electrical wiring or plumbing
- Changing kitchen cabinets even if no plumbing or electrical changes are being made. Now required by Manchester Township.
- Replacing a shower or bath tub.

Permits are not necessary, but permission from the Co-Op is if:

- You add or replace shutters, awnings or railings
- Installation of Solar tubes
- Installation of Satellite Dish (TV)
- Window replacements
- Tree planting – location to be checked

Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started. If you're having work done call the Maintenance Department and check if any of the above applies to your project.

More Trustees Info...

Satellite Dish

If you're thinking of having a satellite dish installed on your home, you must:

- *submit a request prior to installation to the Trustees office*
- *Advise Maintenance dept of date of installation*
- *Notify Maintenance when installer arrives*
- *We will give you printed installation instructions for the installer*

We inspect after installation and if it is installed incorrectly, you will need to have it corrected,

NOTICE!!

If you have a request for parking permits for additional vehicles, changes or additions to your home such as a patio, tree planting etc., notify the Trustees office. If you want to order repairs, call the Maintenance department.

SUN PAPER CARRIERS

We still need help delivering the Crestwood Village Sun monthly paper. We need four or more carriers to help those who are already overloaded with deliveries. The Sun has been delivered by volunteers since the inception of Village One nearly 50 years ago.

If you can help one day a month for only an hour, Call the Trustees office.

Homes for Sale in Village 1

There are currently 33 homes listed for sale on the Multiple Listing Service Realty website in this village. That number is up from last month which was 31. The current listings range in price from \$21,900 to 73,900.

Vinyl Siding

Vinyl siding replacement is fully completed on Fairway Lane. We're now working on the third building on Highland Drive.

Planting Season is over!!

Time to clean up those spring and summer plantings. Clean 'em up now. They've got to be in paper bio-degradable bags with no dirt or stones etc. Just plants, If you have pine cones to get rid of, they can be in a bio-degradable bag but must be bagged separately.

Got Junk to Get Rid Of ??

This Village provides all residents with a "Bulk" pick up every month on the last Wednesday. The truck, man power and the cost of dumping are part of your maintenance service. Those pick up items can be put at the curb the night before the pick-up. If you put these items out at any other time, we'll pick them up but you'll be charged \$25.00. Don't forget we can't dump them for no cost and its costly to send a truck and driver to the dump with just items from one household. Hold those things till the last Wednesday of the month and save \$25.00.

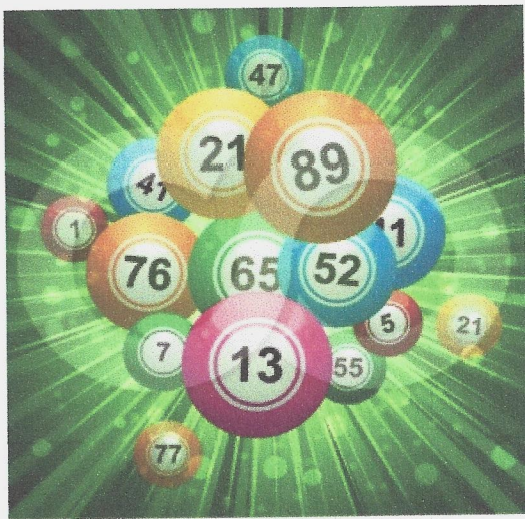

New Water Restrictions!!

With the shortage of rain, watering is now limited to 30 minutes of watering twice a week. You can however, water flowers with a hose by hand.

For Safety's Sake...

Carry a flashlight when walking your dog at night. Make it easier for drivers to see both you and your pet. You'll both be safe and so will the driver. Remember it's getting dark much earlier now..

RESIDENTS CLUB

Thank you Dot for the nine plus years of hard work you have given to the residents of our village. You will be in our hearts forever, not that you can stop working for us but we have to express our appreciation for all you have done.

This is the year to come. President LuAnn Just and her staff of officers are putting together a busy and fun year for our Residents Club meetings starting October 5, 2015.

We will kick off this season with a Halloween costume party complete with prizes for best costumes (for those of us who are witches, dress up but leave the brooms home). Games, prizes, warm apple cider and cake will all be part of the party. Come out, shed those summer clothes, get dressed up and have Halloween fun with us.

Our schedule of activities will be announced for the coming year. The Presidents of the various clubs will be there to give their upcoming events for us.

There will be a Holiday party on December 12th at a cost of \$8.00. More information to follow.

It promises to be a great year for the residents of Crestwood Village 1, so come out and join the fun.

Looking forward to seeing you all on October 5th.

*LuAnn Just, President

**Village 1 Picnic
2015**

Sponsored by Board of Trustees

This 50th Anniversary year picnic was attended by approximately 130 people. All who attended were treated to an afternoon of fun, music and great food.

The fun started with an absolutely beautiful day - sun and a light breeze, it continued with competition of some games of golf expertise in best shot, lawn darts, scavenger hunt and more. Prizes were awarded to several winners. Many door prizes were given.

The music was great (a great mix) and the food was excellent and plentiful. It included hot dogs, hamburgers, bar-b-q chicken, salad w/dressings, an assortment of cold salads, i.e. potato, macaroni, seven bean salad, corn, sausage sandwiches, and roasted clams. The desserts were delicious. Cold drinks and more..

Dancing, singing, card playing and storytelling that spanned 50 years.

This was a major effort by a lot of people who spent a lot of time planning and implementing a large undertaking. I can't begin to list names as I would leave too many people unrecognized therefore I'll just say to all who helped - Job well done!!

If you missed it, you missed a lot!
