## **Trustees Notes.....**

### **Dates to remember...**

**June 20.....Budget meeting**

**Sept 19.....Annual Shareholders meeting**

### **Maintenance.....**

Replacement of aluminum siding is ongoing as we have now finished Highland Drive and are well on our way on Lilac Lane and finally finishing on Willow Lane. This multi year project should be finished by mid-summer, This makes this village the first Co-Op to eliminate much maintenance on the exterior of our buildings.

Replacement of in ground concrete clad garbage receptacles. These will be replaced in order of severity of damage after the snow storm damage this past winter.

Gutter cleaning - we have now started cleaning gutters 4 times a year and are currently doing so throughout the village.

### **Satellite Dish**

If you're thinking of having a satellite dish installed on your home, you must:

- submit a request prior to installation to the Trustees office
- Advise Maint dept of date of installation
- Notify Maint when installer arrives
- We will give you printed installation instructions for the installer

**We inspect after installation and if it is installed incorrectly, you will need to have it corrected,**

When selling your home, the dish must be removed even if the new owner intends to have a dish installed, All dish services install a new dish upon installation of service and will not use a pre-existing unit and also will not remove a unit at end of service, That's your responsibility. This must be done prior to closing.

### **NOTICE!!**

**If you have a request for parking permits for additional vehicles, changes or additions to your home such as a patio, tree planting etc., notify the Trustees office. If you want to order repairs, call the Maintenance department.**

### **FLUSHING FIRE HYDRANTS!**

The Manchester Township Department of Public Utilities will be flushing fire hydrants for the months of April, May and June 2016. Hours will vary during the day as well as during the night. During this time, you will experience a difference in pressure and some discoloration. Run your **COLD WATER TAP ONLY** until it runs clear.

### **Merchandise Pick Ups**

If you have an oversized item that you would like to purchase from the Lowes in Manchester but cannot fit it in your vehicle, contact the maintenance department for help. If you purchase the item ahead of time and bring the pick-up receipt to the maintenance office they can pick up your item the next time they go out for supplies **FREE of CHARGE... This service applies ONLY to the Lowes on Route 70 in Manchester.** This is a great bargain compared to paying the delivery charges from Lowes. Contact the maintenance department for more info.

### **Homes for sale in Village 1**

There are currently 13 homes listed for sale on the Multiple Listings Realty website in this village. The current listings range in price from \$26,000 to \$84,900. We are consistently closing 6 - 8 homes every month over the last year.

So if you have a new neighbor move into your area, stop by and introduce yourself, welcome them into the neighborhood. They'll feel good and so will you.

As for the Board of Trustees, we welcome you and sincerely hope that a year from now you'll be telling your friends "this is the best move I've ever made".

### **Lawn Cutting Schedule - June**

**6th, 16th and 27th**

**Remember - Move furniture etc.**

# BOCCE / SHUFFLEBOARD

# Golf Club

The season is well underway. However, the weather has not been the most cooperative especially on Tuesday evenings. Bocce teams compete on Tuesday and Wednesday nights and Shuffleboard is played on Thursday nights. All teams are full, however you are welcome to come watch and socialize. If you have never played bocce but are interested in learning the game, come watch the "old timers" and be ready to sign up for the fall season.

Bocce and Shuffleboard courts are available to all residents. Guests may play when accompanied by a resident. Please be sure to put all equipment back where it belongs when you are finished and secure the doors to the storage areas.

If you have any questions, call Jack Ford 732 350-3128.

## **JUNE 14TH IS FLAG DAY**

Did you know?

*The National Flag Code "Title 4, United States Code, Chapter 1" tells us the rules and regulations regarding our American Flag. This code was adopted in 1923 by the National Flag Conference and has been revised many times over the years. The information below, and much more, can be found in the National Flag Code as revised in December of 2013 and as published by the USA Flag Site, American Flag Etiquette and the American Legion.*

*It is our custom to fly the flag from sunrise to sunset unless it is lighted after sunset. There are a number of public places where flags are to be flown including in or near every school house.*

*When we recite the Pledge of Allegiance, all who are able should be standing at attention facing the flag with their right hand over their hearts. Hats, other than religious head coverings, should be removed.*

*When a flag is flown at half-staff, it should first be raised to the peak of the pole and then lowered slowly to half-staff.*

*Americans are directed to show respect to our flag. When flags become worn or ragged, they should be disposed of in a dignified manner. Local VFW's, American Legion Posts and other Veterans' organizations will accept and dispose of the worn flags.*

*It is interesting to read the history of our flag and remember important dates in history where our flag was flown, on battle fields, at inaugurations, funerals, holidays and always as a symbol of the strength and unity of our Great Nation.*

*We are a patriotic generation who have witnessed many wars, tragedies, great victories and many changes in our country through the years. Our children and grandchildren learn from our example - good or not so good. Let us help them to develop pride and respect for the symbols of our country, The United States of America.*

**DO  
NOT  
DEPOSIT  
PET  
FECES  
IN  
OUR  
LAKES**

*Fines can be  
assessed if you  
are observed  
dumping feces  
in the lakes  
while walking  
your pet!*

**Be a considerate  
neighbor!!!**

## **Tree Planting**

*Spring is here so now would be a good time to remind everyone that if you're planning to plant a tree or shrubs, there are rules for planting. No property boundary lines are to be formed. They must not block line of vision from intersections or driveways etc. All requests for such plantings must be submitted to the Board of Trustees for approval. See rule # 12 of Rules and Regulations.*

## **Doing some work around the house?**

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

### **Permits are required if:**

- You cut away a wall or any portion thereof
- You cut any structural beam or bearing support
- Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover
- Installing, replacing or re-locating a hot water heater
- Installing, replacing or re-locating any water drainage or venting
- Installation of heating or air conditioning systems
- Installation or upgrading any electrical wiring or plumbing

### **Permits are not necessary, but permission from the Co-Op is if:**

- You add or replace shutters, awnings or railings
- Installation of Solar tubes
- Installation of Satellite Dish (TV)
- Window replacements
- Tree planting – location to be checked

**Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started. If you're having work done call the Maintenance Department and check if any of the above applies to your project.**

## **On Street Parking....**

Since changing the rules to allow on street parking, it seems to have alleviated many problems at Quads. But to make sure everyone clearly understands.... You must park in **YOUR ASSIGNED SPACE!!!** You cannot use a guest space. Guest spaces are for the use of all residents of the building --**BY THEIR GUESTS!!!**

Remember when parking on street **DO NOT** block mailboxes, driveways, fire hydrants, too close to corners etc...

### **PARK LEGALLY!!!**

**Let your visitors know if no guest spaces are available at your address, they must park on the street or at clubhouse.**

Thanks

## **When walking or driving**

through the Village don't throw your cigarettes, cigars, soda cans, garbage on your neighbor's lawn or in their garbage can. Be a good neighbor!

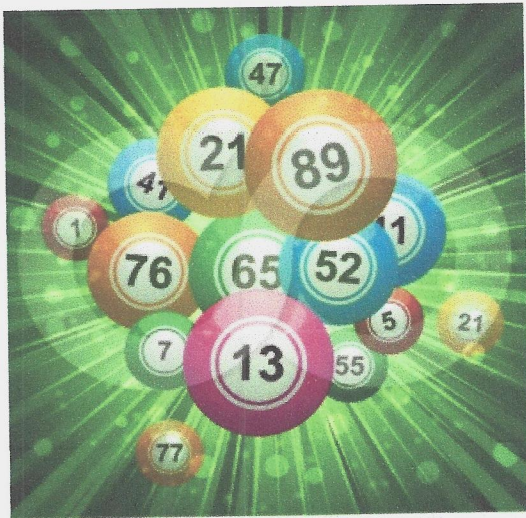

## **Bar-B-Q Grilles, Fire Pits, Chimneys**

This is the time when you are making good use of your propane grille. Remember it must be no closer to the building than 10' when in use. It must not be used or stored under a covered patio. When not in use the propane tank should be turned off and no closer to the building than 5'. Be safe!! While we're on the subject of fires, remember fire pits and chimneys are not allowed in Village 1.

**NO SMOKING IN  
CLUBHOUSE!!**

*When using exercise room, all  
equipment must be wiped down  
before and after use!!!  
Let's stay healthy!!*

**BINGO**

© Elaine Barker \* www.ClipartOf.com/1053570

*Bingo is doing very well - thanks to all who are supporting this endeavor. The prize money's good, the crowd is friendly, the food is "great" (and reasonable). So - if you haven't gotten back yet or you're a newer resident, come- have lunch- meet some new neighbors and maybe win some money too!!*

*Bingo could use some help in the kitchen on Tuesday's. No need to work every week !! We can schedule your days as you like. A few hours is all that is needed and you can help your village, socialize with your neighbors and feel good about yourself. Call Fran at 732-408-5394. Call Mary Ann if you want to spend time selling and helping out in the hall at 732-350-5772.*

## **Ceramics Club**

*With the Fourth of July around the corner, why not come and create a treasure of red, white and blue for your yard showing your patriotism. You can also create your own outdoor treasure. We have a wide selection of statuary along with gnomes, fairies and garden creatures, or why not make a birdhouse for our fine feathered friends. Our teacher is always there to help. Come enjoy some coffee and snacks along with pleasant conversation. Our class is Tuesday's from 8:30am to 11:00am in Friendship Hall. Everyone is welcome to come and check out our group at the clubhouse - downstairs in the activity room on Tuesday mornings.*

### ***Pet Waste!!***

*Solid pet waste must be removed immediately... Carry a waste pick-up bag with you when walking your dog and don't let your pet urinate on another residents grass.*

### ***Clogged Sink/Toilet Drains..***

***DO NOT** dump grease down the sink drain... Manchester Water and Sewer has found clogged drains lately that are the residents fault due to dumping grease down the sink drain. One recent call found baseball size clumps of grease in the drain line. In a situation like this or foreign objects that should not be flushed, that is the residents responsibility and you will be charged for repairs and time. We've all read lately that many flushable wipes do **NOT** decompose. **DO NOT FLUSH THEM! PLACE IN GARBAGE!!!***
