on the second Monday**

Thanks,  
Jeannie

### **Maintenance and Repair Payments-**

To avoid late fees and ensure your maintenance and repair payments are processed in a timely manner, please be sure all payments are sent or given to the

He'll be here

in village 1 on August 8th at Trustees Office  
**ONLY!!** Thank you for your cooperation.

### **Meet the Mayor!**

2pm in the Auditorium. If you've got questions you can get answers to your concerns. If you have no questions you can still pick up fresh knowledge about things that you previously had no concern about.

We in Manchester Township are very lucky to have a Mayor who during his short time in the office has made more appearances before groups, adult communities, residential groups etc. More than some Mayors make in an entire term of office.

Come out, let the man know what's on your mind. Questions when needed and praise when it's due!

### **Mailboxes**

Police, Fire Dept. and First Aid have asked us to stress the importance of a name and number on every mailbox. It could mean a difference in response time in case of emergency. If you would like a plate with both, call the office. If nothing else, at least get some stick on numbers. That's better than nothing.

### **July 4th Party...**

the food was delicious,  
the cooking and serving  
was phenomenal,  
and

Veterans who attended.**

**To all of them thanks for your service  
and being part of this community**

If you can help one day a month for only an hour, Call the Trustees office.

### Tree Planting

Summer is here so now would be a good time to remind everyone that if you're planning to plant a tree or shrubs, there are rules for planting. No property boundary lines are to be formed. They must not block line of vision from intersections or driveways etc. All requests for such plantings must be submitted to the Board of Trustees for approval. See rule # 12 of Rules and Regulations.

This column free to residents. Items must be submitted by the 15th of the month for following month's newsletter. Drop off at Trustees office.

## *Info from CARES!*

*Somebody Cares will be offering free blood pressure readings to local residents on the second Thursday of each month from 10:00am to 12:00 noon.*

*Paper shredding from Cares will be at Village 4 parking lot on Saturday - Sept 17th from 9:00am till noon.*

*Food bank is at Village 6 the second Wednesday of each month. Line starts at 9:30am... NO Early Birds!!!*

**It may be August  
but we are  
thinking about  
Christmas.**

When planning an event the details are the most important part to make it successful and we need to start now. Christmas may be four months away and nobody wants to think about December when the temperature is 93 instead of 39. The Residents Club is planning a gift wrapping day at the club house. The first thing I can hear you say is "everyone uses bags". We would like to go back to an earlier time when a gift was wrapped in paper, had a bow and you might want guess what's inside. Since we will be there the better part of the day we will have two shifts, we need volunteers. There were great elves that came to help two years ago. I hope you will all volunteer again and maybe some new ones too. Please call to be included for this coming year. We will have a great time and there is always a job for everyone, no matter your skill level.

Please call Janis Brennan at 732-278-9274 to sign up for this great day.

### **Doing some work around the house?**

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

#### **Permits are required if:**

- You cut away a wall or any portion thereof
- You cut any structural beam or bearing support
- Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover
- Installing, replacing or re-locating a hot water heater
- Installing, replacing or re-locating any water drainage or venting
- Installation of heating or air conditioning systems
- Installation or upgrading any electrical wiring or plumbing

#### **Permits are not necessary, but permission from the Co-Op is if:**

- You add or replace shutters, awnings or railings
- Installation of Solar tubes
- Installation of Satellite Dish (TV)
- Window replacements
- Tree planting – location to be checked

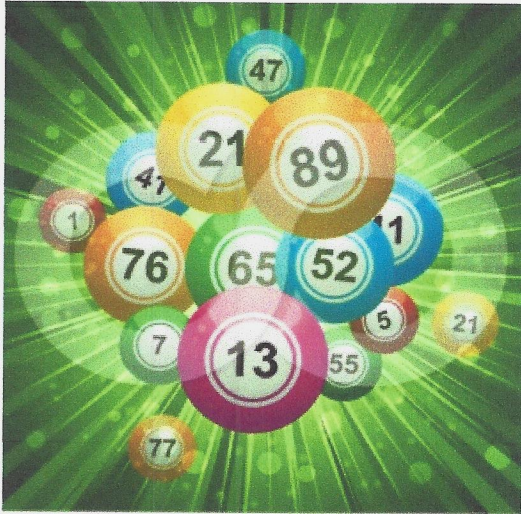

*Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started. If you're having work done call the Maintenance Department and check if any of the above applies to your project.*

#### **Feeding Wild Animals!**

*Feeding wild geese, cats etc. is a violation of the rules and regulations of this village as well as the laws of Manchester Township. Those rules in this village state you will be fined up to \$500.00 and unpaid or constant fines can lead to eviction. Please don't feed any wild animals. Wild animals carry diseases we do not need! Fines are being levied for doing so. See Rule # 32 of the rules and regulations.*

# BINGO

© Elaine Barker \* www.Clipart01.com/1053570

Bingo is doing very well - thanks to all who are supporting this endeavor. The prize money's good, the crowd is friendly, the food is "great" (and reasonable). So - if you haven't gotten back yet or you're a newer resident, come- have lunch- meet some new neighbors and maybe win some money too!!

Bingo could use some help in the kitchen on Tuesday's. No need to work every week !! We can schedule your days as you like. A few hours is all that is needed and you can help your village, socialize with your neighbors and feel good about yourself. Call Fran at 732-408-5394. Call Mary Ann if you want to spend time selling and helping out in the hall at 732-350-5772.

## Ceramics Club

Halloween, Thanksgiving and Christmas are just around the corner. It's a great time to come join us and make some Gifts and Decorations for all three holidays. How great would it be to give your friends, relatives, children or grandchildren something you made that they would treasure and remember you by every Holiday to come! Our teacher is always there to help. Come enjoy some coffee and snacks along with pleasant conversation. Our class is Tuesdays' from 8:30 am to 11:00 am in Friendship hall. Everyone is welcome to come and check out our group at the clubhouse, downstairs in the activity room on Tuesday mornings

### ***Pet Waste!!***

Solid pet waste must be removed immediately... Carry a waste pick-up bag with you when walking your dog and don't let your pet urinate on another residents grass.

### ***Clogged Sink/Toilet Drains..***

***DO NOT*** dump grease down the sink drain... Manchester Water and Sewer has found clogged drains lately that are the residents fault due to dumping grease down the sink drain. One recent call found baseball size clumps of grease in the drain line. In a situation like this or foreign objects that should not be flushed, that is the residents responsibility and you will be charged for repairs and time. We've all read lately that many flushable wipes do ***NOT*** decompose. ***DO NOT FLUSH THEM! PLACE IN GARBAGE!!!***

***Garage Sale -Coming  
in September!!!***

***Save Your Stuff!!!***

# Trustees Notes.....

## Dates to remember...

Sept 19.....Annual Shareholders meeting

### Maintenance.....

Replacement of aluminum siding is ongoing as we are now through nearly all of Lilac Lane. This multi year project should be finished by August, This makes this village the first Co-Op to eliminate much maintenance on the exterior of our buildings.

Replacement of in ground concrete clad garbage receptacles. These will be replaced in order of severity of damage after the snow storm damage this past winter.

Gutter cleaning - we have now started cleaning gutters 4 times a year.

### Satellite Dish

If you're thinking of having a satellite dish installed on your home, you must:

- submit a request prior to installation to the Trustees office
- Advise Maint dept of date of installation
- Notify Maint when installer arrives
- We will give you printed installation instructions for the installer

**We inspect after installation and if it is installed incorrectly, you will need to have it corrected,**

When selling your home, the dish must be removed even if the new owner intends to have a dish installed, All dish services install a new dish upon installation of service and will not use a pre-existing unit and also will not remove a unit at end of service, That's your responsibility. This must be done prior to closing.

### NOTICE!!

**If you have a request for parking permits for additional vehicles, changes or additions to your home such as a patio, tree planting etc., notify the Trustees office. If you want to order repairs, call the Maintenance department.**

### Merchandise Pick Ups

If you have an oversized item that you would like to purchase from the Lowes in Manchester but cannot fit it in your vehicle, contact the maintenance department for help. If you purchase the item ahead of time and bring the pick-up receipt to the maintenance office they can pick up your item the next time they go out for supplies **FREE of CHARGE... This service applies ONLY to the Lowes on Route 70 in Manchester.** This is a great bargain compared to paying the delivery charges from Lowes. Contact the maintenance department for more info.

### Homes for sale in Village 1

There are currently 9 homes listed for sale on the Multiple Listings Realty website in this village. The current listings range in price from \$33,500 to \$105,000.

So if you have a new neighbor move into your area, stop by and introduce yourself, welcome them into the neighborhood. They'll feel good and so will you.

As for the Board of Trustees, we welcome you and sincerely hope that a year from now you'll be telling your friends "this is the best move I've ever made".

### It's the Rule!!!

#### (from rules & regulations)

Rule # 2 - No parking at any time in front of Mail Boxes, Fire Hydrants or on **the GRASS!!!** Since we've allowed on street parking, we've stressed legally parked. But that doesn't include parking on the grass. Please park legally on the street.

Rule #8 - Cars must be parked head-on in unit parking areas to eliminate the possibility of exhaust fumes entering homes.

Thanks in advance for your cooperation.

### Lawn Cutting Schedule - August

8th, 18th and 29th

Remember - Move furniture etc.
