BINGO

© Elaine Barker www.ClipartOf.com/1053570

Bingo is doing very well - thanks to all who are supporting this endeavor. The prize money's good, the crowd is friendly, the food is "great" (and reasonable). So - if you haven't gotten back yet or you're a newer resident, come- have lunch- meet some new neighbors and maybe win some money too!!

Bingo could use some help in the kitchen on Tuesday's. No need to work every week. We can schedule your days as you like. A few hours is all that is needed and you can help your village, socialize with your neighbors and feel good about yourself. Call Fran at 732-408-5394. Call Mary Ann if you want to spend time selling and helping out in the hall at 732-350-5772.

Doing some work around the house?

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

Permits are required if:

- You cut any structural beam or bearing support
- Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover
- Installing, replacing or re-locating a hot water heater
- Installing, replacing or re-locating any water drainage or venting
- Installation of heating or air conditioning systems
- Installation or upgrading any electrical wiring or plumbing

Permits are not necessary, but permission from the Co-Op is if:

- You add or replace shutters, awnings or railings
- Installation of Solar tubes
- Installation of Satellite Dish (TV)
- Window replacements
- Tree planting – location to be checked

Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started. If you're having work done call the Maintenance Department and check if any of the above applies to your project.

Trustees Notes -

New Ice Machine...

The Board of Trustees have approved the purchase of a new Ice machine for the Clubhouse kitchen at a cost of \$2,950.00. The existing machine has outlasted its lifetime and can no longer be repaired. A new machine has been ordered.

New Handicap Accessibility

For the Clubhouse has been ordered by the Board of Trustees after having been approached by officials of Manchester Township notifying us that new Federal Rules now force us to change entry to the clubhouse. This will require over \$8,000.00 worth of concrete work for ramps etc or we would lose our ability to be a polling place for any federal election.

As this requirement was just changed, the Township had to notify us that should these changes not be made they would have to shut down our clubhouse as a polling place for this upcoming election. The work will be done prior to the election so we will be compliant.

Since this order came to us so late, I called Manchester Township to get a copy of the order but as of this printing have not been able to get it.

Medicare Part D

Open Enrollment is coming

Prescription Drug Plan enrollment runs from Oct 15th to Dec 7th. People with Medicare can sign up for a prescription drug plan (PDP) or switch their current Part D plan in order to get the best coverage beginning Jan 2017.

Ocean County Senior Services will have representatives available for one-on-one assistance in comparing ONLY the prescription drug plans for 2017. For an appointment you must call the County Connection directly at 732-288-7777 to register.

Registration is required !!

Cherry Trees Donated..

See below..

Trustees Notes.....

Election Day..

There will be a Bus for the election on November 8th. One pick-up at 9:00am going to both polling places at Village 1 and Village 2.

Political Signs

As per the rules and regulations: Political signs may be up for a limited time. A maximum of 1 sign only may be displayed per unit. It must not exceed 18" x 24", must be within 6' of building, cannot obstruct sidewalks, may be displayed 10 days prior to election date and must be removed the day after the election. The one sign that is permitted at any time is a security sign denoting that your home is protected by a security system such as ADT, Infinity or Sloman's etc.

Satellite Dish

If you're thinking of having a satellite dish installed on your home, you must:

- submit a request prior to installation to the Trustees office
- Advise Maint dept of date of installation
- Notify Maint when installer arrives
- We will give you printed installation instructions for the installer

We inspect after installation and if it is installed incorrectly, you will need to have it corrected,

When selling your home, the dish must be removed even if the new owner intends to have a dish installed, All dish services install a new dish upon installation of service and will not use a pre-existing unit and also will not remove a unit at end of service, That's your responsibility. This must be done prior to closing.

Merchandise Pick Ups

If you have an oversized item that you would like to purchase from the Lowes in Manchester but cannot fit it in your vehicle, contact the maintenance department for help. If you purchase the item ahead of time and bring the pick-up receipt to the maintenance office they can pick up your item the next time they go out for supplies **FREE of CHARGE... This service applies ONLY to the Lowes on Route 70 in Manchester.** This is a great bargain compared to paying the delivery charges from Lowes. Contact the maintenance department for more info.

Homes for sale in Village 1

There are currently 17 homes listed for sale on the Multiple Listings Realty website in this village. The current listings range in price from \$29,500 to \$97,500.

So if you have a new neighbor move into your area, stop by and introduce yourself, welcome them into the neighborhood. They'll feel good and so will you.

We welcome you and sincerely hope that a year from now you'll be telling your friends "this is the best move I've ever made".

Delinquent Members of Co-Op

Please remember... You must be current with your payments in order to use the facilities of the Clubhouse and golf course.

NOTICE!!

If you have a request for parking permits for additional vehicles, changes or additions to your home such as a patio, tree planting etc., notify the Trustees office. If you want to order repairs, call the Maintenance department.

Trustees Notes

Flushing Fire Hydrants...

The Manchester Township Department of Utilities will be flushing hydrants for the months of October and November. Hours will vary during the day as well as during the night. During this time you will experience a difference in pressure and discoloration. Run the **COLD WATER TAP ONLY** until it runs clear..

It's Rule #13...

A small garden a maximum of 8' x 10' or 80 sq. ft. is permitted when authorized by the Trustees and it must be in a location that does not become unsightly to surrounding areas. It must be maintained and cleaned up after the growing season.

AREA REPRESENTATIVES

Reps are always needed! If you would like to help we'd be happy to have it. Call the Trustees office and they will put you in contact with Sal Sclamo who coordinates activities with the "Reps". At this time we are in need of someone to serve as "Rep" for District 6 that covers Hope Rd and Belhaven Ct.

Got Junk to Get Rid Of??

This Village provides all residents with a "Bulk" pick up every month on the last Wednesday. The truck, man power and the cost of dumping are part of your maintenance service. Those pick up items can be put at the curb the night before the pick-up. If you put these items out at any other time, we'll pick them up but you'll be charged \$25.00. Don't forget we can't dump them at no cost and its costly to send a truck and driver to the dump with just items from one household. Hold those things till the last Wednesday of the month and save \$25.00.

Maintenance and Repair Payments-
To avoid late fees and ensure your maintenance and repair payments are processed in a timely manner, please be sure all payments are sent or given to the Trustees Office ONLY!! Thank you for your cooperation.

New Clubhouse Key Card

Certificate holders **ONLY** may pick up your new clubhouse key at the office Monday - Friday from 9am - 4pm. You do not need a card, but without one, you will not be able to enter the clubhouse on weekends or after 4pm weekdays.
