## SUN PAPER CARRIERS

We still need help delivering the Crestwood Village Sun monthly paper. We need four or more carriers to help those who are already overloaded with deliveries. The Sun has been delivered by volunteers since the inception of Village One, 50 years ago.

If you can help one day a month for only an hour, Call the Trustees office.

This column free to residents. Items must be submitted by the 15th of the month for following month's newsletter. Drop off at Trustees office.

## Village 1 Bingo

Although I'm writing this on behalf of the Board of Trustees, I am sure I speak for every member of this village and many people who do not live in Village 1. Bingo started about seven years ago and the officers responsible for its success have dedicated more hours than I can now figure. They solicited help from residents to also spend seven years making a success of this endeavor. To all of those dedicated people we all owe them a heartfelt THANKS.

Through their efforts Bingo has given monies to help defray some of the cost of the recent renovation of the auditorium in the clubhouse. Other monies were used for other clubhouse upgrades also..

In thanking all who participated, special thanks must be given to the backbone of the team that kept all help providing an even and smooth running organization. They are Linda Nora, Mary Ann Eilert, Florence Shaffer and Fran Becker who provided the great food that was served weekly.

All these workers have more than done their fair share of investing time into Bingo. Now as they retire to the sidelines we are looking for you to say you would invest some time and effort in this Village.

If you would like to help, call the Trustees office and let us know. Some have already stepped up and offered help. When we get names and positions settled, I will have it in next month's newsletter.

But until then, Thanks to all for a great Job!!

## Movie Night

We're looking for a committee to explore the possibility of starting a monthly "MOVIE NIGHT". If you're interested, call the Trustees office. We now have the Big Screen and great acoustics.

## Doing some work around the house?

The State of New Jersey Uniform Construction Code Regulations is the rules that govern when and if permits are required. The following are some examples but should not be considered an all inclusive list.

### Permits are required if:

- You cut away a wall or any portion thereof
- You cut any structural beam or bearing support
- Construct an addition or make alterations to your home i.e., enclosing a porch or patio cover
- Installing, replacing or re-locating a hot water heater
- Installing, replacing or re-locating any water drainage or venting
- Installation of heating or air conditioning systems
- Installation or upgrading any electrical wiring or plumbing

### Permits are not necessary, but permission from the Co-Op is if:

- You add or replace shutters, awnings or railings
- Installation of Solar tubes
- Installation of Satellite Dish (TV)
- Window replacements
- Tree planting – location to be checked

Residents are required to have their contractor provide a certificate of insurance to the Trustees office before any work is started. If you're having work done call the Maintenance Department and check if any of the above applies to your project.

### **When it snows....**

**No on street or on grass parking is permitted. Move cars to clubhouse parking lot at notice of impending storm. \$50.00 fine and \$60.00 charge if we have to dig out your car.**

### **Satellite Dish**

*If you're thinking of having a satellite dish installed on your home, you must:*

- *submit a request prior to installation to the Trustees office*
- *Advise Maint dept of date of installation*
- *Notify Maint when installer arrives*
- *We will give you printed installation instructions for the installer*

**We inspect after installation and if it is installed incorrectly, you will need to have it corrected,**

*When selling your home, the dish must be removed even if the new owner intends to have a dish installed, All dish services install a new dish upon installation of service and will not use a pre-existing unit and also will not remove a unit at end of service, That's your responsibility. This must be done prior to closing.*

### **SNOW REMOVAL SCHEDULE**

- *Roads will be cleared as soon as 3" of snow has fallen (regardless of the time of day)*
- *After all roads are passable, the Maint. Dept. will start clearing driveways and sidewalks.*
- *Duplex driveways will be cleared and should be considered as sidewalks.*

- *Keep a bag of Ice Melt on hand for sidewalks and steps.*

*For those residents who are employed, your employment **will not** entitle you to priority snow clearing. We ask that all residents exercise patience and understanding. You can be an asset to our snow clearing operation by **NOT** calling the Maint. Dept. to request individual attention. The **ONLY** people who can authorize snow clearing priority are the Trustees.*

**Special consideration for priority clearing will only be granted for medical appointments and outpatient treatments. You will be required to furnish your doctor's name, phone number and time of appointment. Your appointment and the doctor's availability will be verified before any priority snow clearing is authorized.**

*Your cooperation will be greatly appreciated.  
Thank you,*

## **Trustees Notes - 2**

### **Merchandise Pick Ups**

If you have an oversized item that you would like to purchase from the Lowes in Manchester but cannot fit it in your vehicle, contact the maintenance department for help. If you purchase the item ahead of time and bring the pick-up receipt to the maintenance office they can pick up your item the next time they go out for supplies **FREE of CHARGE... This service applies ONLY to the Lowes on Route 70 in Manchester.** This is a great bargain compared to paying the delivery charges from Lowes. Contact the maintenance department for more info.

### **Homes for sale in Village 1**

There are currently 22 homes listed for sale on the Multiple Listings Realty website in this village. The current listings range in price from \$29,000 to \$112,000.

So if you have a new neighbor move into your area, stop by and introduce yourself, welcome them into the neighborhood. They'll feel good and so will you.

We welcome you and sincerely hope that a year from now you'll be telling your friends "this is the best move I've ever made".

### **Delinquent Members of Co-Op**

Please remember... You must be current with your payments in order to use the facilities of the Clubhouse and golf course.

### **NOTICE!!**

If you have a request for parking permits for additional vehicles, changes or additions to your home such as a patio, tree planting etc., notify the Trustees office. If you want to order repairs, call the Maintenance department.

### **Got Junk to Get Rid Of??**

This Village provides all residents with a "Bulk" pick up every month on the last Wednesday. The truck, man power and the cost of dumping are part of your maintenance service. Those pick up items can be put at the curb the night before the pick-up. If you put these items out at any other time, we'll pick them up but you'll be charged \$25.00. Don't forget we can't dump them at no cost and its costly to send a truck and driver to the dump with just items from one household. Hold those things till the last Wednesday of the month and save \$25.00.

**Maintenance and Repair Payments-**  
**To avoid late fees and ensure your maintenance and repair payments are processed in a timely manner, please be sure all payments are sent or given to the Trustees Office ONLY!! Thank you for your cooperation.**

# BINGO

© Elaine Barker \* www.ClipartOf.com/1053570

*Bingo is doing very well - thanks to all who are supporting this endeavor. The prize money's good, the crowd is friendly, the food is "great" (and reasonable). So - if you haven't gotten back yet or you're a newer resident, come- have lunch- meet some new neighbors and maybe win some money too!!*

***Bingo needs some help in the kitchen on Tuesday's. No need to work every week !! We can schedule your days as you like. A few hours is all that is needed and you can help your village, socialize with your neighbors and feel good about yourself. Call the Trustees office at 732-350-1818. If you want to spend time selling and helping out in the hall let them know that too!!***

***Help keep Bingo going!!***

## ***Heating Assistance***

*Applications are available for the 2016-2017 heating season and the deadline for filing is May 1, 2017. This federal program is based on household size and monthly income. If you are not already a recipient and would like to learn more, call Senior Services at 732-929-2091 or 800-668-4899.*

## ***Ceramics Club***

*Welcome to the new year, now that the holidays are over and the family has all gone home why not spend some of your free time with us at the Ceramics Club. As the weather turns colder, we all tend to stay indoors more, not socializing with our neighbors in the village. Come on over to the clubhouse on Tuesdays and make some new friends! Never did Ceramics before? Well here's your chance, we have all the supplies you need to help you get started. Our teacher is always there to help. Come enjoy some coffee and snacks along with pleasant conversation. Our class is in Friendship hall downstairs in the activity room on Tuesday mornings from 8:30 am to 11:00 am. Everyone is welcome to come and check out our group. We would love to see you there!*

*L. Just, Secretary*

## ***Daylight burglary in Berkeley***

*A daylight burglary in Berkeley Township while residents were home. We here in Whiting feel very safe for the most part, but you can't be too cautious. Keep your door locked and it would also be a good idea to lock the storm door so you're not exposed to an intruder the minute you open the main entry door.*

## ***ICE MELT...***

*The Maintenance Dept has Ice Melt available. Cost is \$4.00 per bag or \$7.00 for 2 bags. If you're unable to pick it up, call the maintenance dept and they'll deliver it to you at no extra cost. This item must be paid upon delivery...*

## ***Area Representatives..***

*Reps are always needed. If you would like to help, we'd be happy to have it. Call the Trustees office and they will put you in contact with Sal Selama who coordinates activities with the Reps. At this time we are in need of someone to serve district 6 which covers Hope Rd and Belhaven Ct.*

## ***Your Fire Extinguisher***

*If your fire extinguisher is more than 5 years old you probably don't have the model that meets current standards. I must be kept within 10 feet of the Kitchen and the model # is 2A10BC.*
