# From the Board of Trustees

Last month we inserted a letter regarding NJ Senate Bill S2425. The letter pretty much predicted doom and gloom for retirement life in adult communities as we know it. Since this letter was received just as our newsletter was going to press there was no time to get it to our attorney. We did get it to our attorney and also to a second attorney who represents villages in Whiting. Between the two attorneys they represent most of the adult communities here in Whiting. Both councilors advised that although the bill may affect some communities, our by-laws as written along with the HOPA (Housing For Older People) Act protects us from having to allow under age 55 purchasers, children (under age) and rentals among other issues this letter lists. The letter asked you to write to you representatives with your objections. We absolutely hope you'll make your voice help those communities who could use it.

## Speaking of HOPA forms....

As mentioned above the **HOPA Act protects our way of life and we're required to get all residents signed up and updating HOPA information every 2 years.** This is the year we need to update our records so that we can prove that we're entitled to be classified as a 55+ community. Some don't want to be bothered filling a form which can be done in less than 2 minutes. **As of this date we've received about 60% of the forms required by law. Do yours NOW and drop or mail it to the Trustees office.**

## Homes for sale in Village 1...

Currently there are 26 homes listed on the Multiple Listings Website for sale in this Village. They range in price from \$26,500 to \$105,126.

*Thank  
you!*

**Stan Iacono** has resigned from the Board of Trustees.

We would like to thank Stan for his contributions while on the Board and wish him well.

A new board member will be announced next meeting.

# MAINTENANCE

## MINUTE

---

### **Total Maintenance Work Orders for Last Month — 425**

This month I would like to talk about the procedure for disposing of your household trash, recyclables and bulk trash pickups. Every week we are receiving calls with residents not adhering to the correct protocol when it comes to getting rid of their garbage.

#### **Household Trash**

Crestwood Village 1 offers weekly trash pick-up services. The household trash should be limited to food scraps, paper garbage or other trash that fits inside of your standard trash bag. These bags must be put into the trash receptacles the night before or the morning of your scheduled trash pickup day by 6:00 AM. If you have an overabundance of garbage bags that cannot fit into the trash can, you can neatly place them on top of the can or next to the can. We strongly urge against placing these bags out until the morning of your pickup day to reduce the chance for critters to help themselves and cause an unsightly mess. Furniture, rugs or other large items will require a separate pickup. Paint and chemicals are not permitted to be thrown out into the household trash.

#### **Recyclables**

Manchester Township provides pickup of recyclables on a bi-weekly schedule, please check the Village Newsletter for dates for your scheduled pickup days. Recyclables must be placed in a plastic container or trash can, bags of any variety will not be picked up. Your recyclables should be placed out by your garbage can on the night prior to your pick-up or the morning of your pickup day by 6:00 AM. Newspapers, periodicals or magazines can be bound in small bundles and placed out at the same time.

#### **Bulk Trash**

Crestwood Village 1 offers a free pickup of your bulk trash on the last Wednesday of every month. This free pickup is intended to provide residents with a

means to dispose of a FEW larger items, not picked up by the normal household trash pickups. It is suggested you have these items out the night before, as Maintenance begins early on these pickup days and will not be able to return to a property once their pickups are complete. A free in-house pickup will also be offered the last Wednesday of the month for a FEW items...this is not intended to clean out an entire unit. Please call the Maintenance Department to schedule a pickup of your bulk trash.

#### **In-House Pickups**

For those items too large to be removed by a resident, Crestwood Village 1 offers chargeable weekly in-house pickups for a FEW items every Wednesday, except for the last Wednesday of any given month. The Maintenance Department must be called prior to the Wednesday pickups to schedule a time for us to come and remove these items. This service is chargeable to the resident.

#### **Whole House Clean Outs**

The Maintenance Department can be contacted to assist in cleaning out an entire unit if needed. This is a chargeable work order and is dependent upon the amount of stuff to be removed from the unit. Contact the Maintenance Department to request current pricing and schedules.

#### **Moving Boxes**

Crestwood Village 1 will remove, for free, any moving boxes for new residents. Please break down the boxes and stack in an orderly fashion, then call the Maintenance Department and we will remove the boxes for you.

If there are ever any questions or concerns please contact the Village 1 Maintenance Department

Thank you,  
The Maintenance Department

## Crestwood Village 1 Rules & Regulations

*Continued from last month*

**Amended 06/27/2019**

# RULES

**Obey the Rules or Pay the Fines**

7. Each Quad member holder is entitled to a parking space in the area provided for that purpose. Vehicles parked in tandem in parking spaces must not extend beyond designated parking space. When space is unoccupied it is still reserved for his or her use and shall not be used by another resident, guest or visitor, unless permission has been given **IN WRITING** to do so. (This is very important to eliminate any misunderstanding.) No resident can give any other resident permission to use a guest space as **GUEST SPOTS ARE FOR VISITORS IN THAT BUILDING ONLY**. You may park legally on the street while following Rule #1. If you have visitors, please advise them that if they have parked in a space other than those designated for **GUEST** at you're building, they must move their car to parking on the street as you will be fined.
8. Bicycles and tricycles are considered vehicles and must travel on Village Streets the same as automobiles, observing **STOP** signs, and travel on the right hand side of the road. They must be equipped with head lights and rear lights for night riding.
9. During periods of heavy snow, plows will come to clear the driveways as soon as possible. Please be patient. Do not push, shovel, blow or deposit snow onto village roadways. Residents shall not interfere with any snowplowing operation. (See Snow Policy)
10. **NO** property boundary lines are to be formed by shrubs, hedges, bricks, cinder blocks or fences of any type. The cutting of lawns is hampered by these would-be boundary lines, thereby increasing the lawn cutting costs. Patios may have privacy fences not to exceed 48" in height and cannot interfere with sidewalk or access to the building. Gates are **NOT** allowed. Permission for any tree planting or removal must be obtained from the Trustees before being done. Residents are responsible for keeping trees and shrubs from becoming safety hazards. Shrubs cannot be any higher than the windowsill and must be maintained 12" from the building. They must not block the line of vision from intersections or driveways. If after 10 days the hazard continues, the Trustees shall cause the condition to be corrected and charge the resident for said correction.
11. A small garden a maximum of 8' by 10' or 80 sq. ft. is permitted **when authorized by the Trustee**. It must be in a location that does not become unsightly to surrounding areas and be 12" away from the building and no higher than the windowsill. **It must be maintained and cleaned up after the growing season.**
12. The raking of leaves, removal of twigs, branches and other debris which gather on the walkways, driveways and parking areas are the responsibility of the member.
13. Receptacles such as metal or plastic garbage containers or any other containers are not permitted to stand along the outside wall of a building. Sheds are allowed with written consent from the Board of Trustees. The shed is to be located against the building a maximum of 48" x 22" x 70". A Sample is on display outside of the Maintenance Building.

The HOPA provides housing for older persons and is intended for occupancy by at least one person 55 years of age or older per unit.
