Trustees Notes...

It is time for the May Flowers! I hope everyone can get out and enjoy the beautiful weather. I am looking forward to seeing all of your flowers in bloom.

Unfortunately, due to State limitations, we cannot reopen the Clubhouse. That would require additional staff to monitor all the doors, keep a head count, take temperatures, enforce masks. We would also need sanitizing stations. All of this would add quite an expense to our budget. We do have the Bocce and Shuffleboard courts open following masks and social distance guidelines. You can also enjoy our Golf Course or Horseshoes following the same guidelines.

The Mayors office worked hard encouraging the County to open a vaccination site in Manchester and succeeded! They have opened a site at the Manchester Township Elementary School behind the Shoprite on Route 70. Vaccinations at the site are by appointment only on Thursday afternoons and Saturday mornings. You can call Ocean County Senior Services at 732-929-2091 for more information. Our office staff does not have any further information.

Hopefully, following CDC guidelines along with vaccinations, we can put an end to this pandemic sooner rather than later.

We have received a nomination to run for the Board of Trustees so there will be an election. Mary Ann Riotto, John Leach and Carl Hart will be running to retain their positions and Jay Paradiso will also be running. Their resumes will be delivered along with this newsletter.

Last thing, I would like to remind you to respect the privacy of your neighbors. Please do not walk across your neighbors windows. The only exception would be if you live in the same building.

Until next month,

Jeannie Feola
President

OCEAN COUNTY OFFICE OF SENIOR SERVICES 2022 AREA PLAN NEEDS ASSESSMENT SURVEY

This survey is an important step in our 2022 Area Plan Process; by area plan, we mean how we receive the funding for Ocean County senior programs, and then move ahead to distribute those dollars to the agencies who will do the actual work.

The Older Americans Act is the foundation, and those legislated dollars are distributed and monitored beginning with the Administration for Community Living in Washington, DC, matched by the State Unit on Aging in Trenton and our Office of Senior Services (Area Agency on Aging) as well as our local aging service providers (there are over 30,000 nationwide).

In our county, we are very fortunate that our Commissioners contribute well over a third of the dollars needed with a particular focus on our meal program, which prepares 1200 – 1300 meals for seniors every day.

Each year a local area plan on services is submitted to the NJDHS, DoAS, outlining the system of aging services that has been identified and developed to meet the needs of this community. We have the opportunity to look at the unique nature of our county and fund services that meet these concerns where we can as we always work under the mandate of the Older Americans Act and address these five key areas of support: home support, community support, nutrition support, caregiver support and access.

In addition to this survey, we gather our needs assessment information from Client Surveys, Senior Advisory and Service Provider meetings, Priority Issues Areas identified from our I and A calls and Quality Assurance Cards received directly from the clients who contact us. Then we put the next year's plan together with a close look at what we have identified.

Please log into our survey and begin!

April 12, 2021

To All Manchester Township Residents and Communities:

Subject: Energy Aggregation Update

We have received inquiries regarding Manchester Township's energy aggregation contract with Constellation Energy. Our current contract provides that Constellation serve as the Township's electric power supplier for our energy aggregation program for a period of two years, ending October, 2021.

This Spring/Summer, Manchester will solicit bids from interested energy aggregation suppliers to continue the cost-savings program for our residents. We will be looking for a cost savings compared to JCP&L rates, a non-adjustable (fixed) rate, and we will not enter into a contract without guaranteed savings. This program gives the Township the ability to use bulk purchasing power to contract with third-party energy suppliers for electrical power. JCP&L is still responsible for delivering the electricity to your residence as well as mailing one bill for both the energy generation and delivery. You will have the ability to opt-out of the program at any time with no fees.

Importantly, other private energy suppliers know the Township's contract will be expiring in a few months and have started soliciting for business. Please be careful about signing an individual agreement locking you into a contract that may contain an adjustable rate or a higher rate than JCP&L is providing. Other companies may claim to be offering better deals, but remember, if it sounds too good to be true, it probably is.

If you are inclined to sign with your own energy provider, ask these questions:

- Is the rate fixed or adjustable?
- If fixed, for how long?
- If adjustable, how often do rates adjust?
- How long is the overall contract?
- How do the rates compare to JCP&L's rate?

The Township Council and I are inclined to seek an energy aggregation contract, but the terms must be advantageous for our residents.

Best regards,

Kenneth T. Palmer

MAINTENANCE

MINUTE

Hello Residents of Village 1,

For this month, due to a recent run of digital thermostats failing, I would like to take this opportunity to discuss replacement of these digital thermostats. Now, this is more than just the thermostat losing power, but rather these thermostats have actually burnt up and resulted in discolored walls in the area of the thermostats. These specific thermostats are all old and if you have one or more, you should consider contacting the Maintenance Department for replacement. Please see the below pictures to show the type of thermostat I am discussing and the damage that it may cause.

This work is considered chargeable to you the resident, but it's certainly better than the alternative of damage to your residence. Depending upon your thermostat, the cost to replace these to an analog style, ranges from approximately \$45.00 to \$55.00. Again, please contact the Maintenance Department to schedule replacement of these existing digital thermostats. The Maintenance Department will not install any digital thermostats.

ON ANOTHER NOTE, ALL RESIDENTS, THEIR SUBCONTRACTORS, FAMILY MEMBERS, HANDYMEN, ETC. ARE NOT TO ACCESS THE CRAWLSPACE. THE CRAWLSPACE AND ALL UTILITIES LOCATED WITHIN ARE THE PROPERTY OF THE CO-OP. IF YOU HAVE A CONCERN ABOUT YOUR CRAWLSPACE CONDITION, CONTACT THE MAINTENANCE DEPARTMENT. IF YOU ARE HAVING WORK DONE AT YOUR RESIDENCE AND WILL NEED THE WATER TURNED OFF, CONTACT THE MAINTENANCE DEPARTMENT. CONTACT THE MAINTENANCE DEPARTMENT 3 – 5 DAYS IN ADVANCE OF SCHEDULED WORK SO THAT WE CAN ENSURE MAINTENANCE'S AVAILABILITY. THE WORK SHOULD BE COMPLETED DURING REGULAR BUSINESS HOURS (8:30 AM – 3:30 PM) AND IF THE WORK IS COMPLETED AFTER HOURS OR DURING THE WEEKENDS, YOU WILL BE CHARGED THE \$60.00 FEE FOR EMERGENCY CALLOUTS. THE MAINTENANCE DEPARTMENT IS NOT REQUIRED TO ACCOMMODATE RESIDENTS THAT CALL FOR NON-EMERGENCY SITUATIONS AT THE SAME TIME THEIR WORK IS BEING COMPLETED. IF YOU ATTEMPT TO TURN OFF THE WATER OF ALTER ANYTHING IN THE CRAWLSPACE, THE COSTS OF REPAIRS AND ANY ASSOCIATED DAMAGE WILL BE THE DIRECT RESPONSIBILITY OF THE RESIDENT FOR NOT ADHERING TO THIS POLICY.

Thank you in advance for your cooperation!
Your Maintenance Department

Sonnet to Time

Time, relentless thief, where are you hiding?
Are you a passing fancy, so deriding
Those fools among us who are counting on you?
Like the faded dahlia forced to strew
Dried petals to the ground, or the blown rose
Robbed cruelly in her prime? Too late she knows
That Time and Wind conspired in her demise.
While Sun and Moon play time tag in the skies,
The years, denying time, always discover
That endless march, one year after another.
If lemmings, on their suicidal date
May try, too late, to stop the hands of fate,
Oh, Time, you thief, why can't you pause to say:
"I'm really sorry if I spoiled your day."

BOCCE / SHUFFLEBOARD

FINALLY.....WE'RE BACK

Needless to say, it has been a long year with no organized clubhouse activities. The Trustees have given the okay to start up the bocce / shuffleboard teams. Maintenance is in the progress of getting the bocce courts in shape and Joe is going to clean up the shuffleboard courts. Thank you — Trustees, Maintenance guys & Joe Feola !!!

Membership sign-up meeting will be held Saturday, May 8 at 1:00 pm on the patio area behind the clubhouse. Joe will be cooking hamburgers & hotdogs for those signing up for memberships in the Bocce / Shuffleboard Club. Membership fee is \$10 which allows you to be on both a bocce team and shuffleboard team.

Team competition will begin the week of May 17th. Games begin at 5:30 pm and are usually over by 7:00 pm. More information will follow regarding rain dates for make-up games.

It is our plan to play bocce on Tuesday and Wednesday evenings. Placement on teams is on a first come basis. The maximum for each night is 24 (4 teams of 6 players). There are no substitutes.

Shuffleboard will be played on Thursday evening. The clubhouse will **NOT** be open for indoor shuffleboard when it gets too hot outside or on rainy days.

It is New Jersey law that individuals *must* wear face coverings in outdoor public spaces when social distancing is not possible. Alcohol wipes will be available for your use. **The clubhouse will NOT be open for bathroom use.**

Hope to see many of you at the **membership meeting on the 8th** and on the courts each week. Be careful & Stay Well.....

Your Club Officers:
Joe Feola, Grace Rondeau, Dot Wentworth
