Trustees Notes...

Things are getting busy at the Clubhouse! The Residents Club is planning events, Golf Club is in full swing, Ceramics is a full house, Writing Club is back and so is the Womans Club. Bocce and Shuffleboard are building teams and getting ready to play. People are in the Clubhouse playing pool, exercising, using the Library, playing cards or just socializing. It is so nice to be getting back to normal! If you haven't already, come down to the Clubhouse and get involved with the activities. Please remember, with the Clubhouse now open, we ask you to come down-stairs to the office window and not the back door. The girls should not have people coming into the office.

We have our picnic area behind the clubhouse. Bring your charcoal and burgers and enjoy our amenities. Just please clean up after yourself. For a large party, you as a resident can rent the picnic/back patio for \$50.00. You would also need to have our custodian on hand at a cost of \$60 for 4 hours, \$20 per hour after the 4th hour.

We will be having our monthly open meetings again starting this month on May 26th at 10am. Next month, June 23rd we will be having an evening meeting at 6pm with special guest speaker, Police Chief Robert Dolan. He will be taking questions so come and meet with him.

Next month will be our yearly Trustees Election. This year, an even year, 4 trustees are up for re-election. This will be on June 6th from 9am until Noon, upstairs in the auditorium. The election committee will have further information. We would like to see a huge turnout!

On scheduled lawn cutting days, we ask you clear the area to be mowed. When the lawn cutters are done, put your chairs back and enjoy the outdoors!

As we approach Memorial Day and the start of the summer season, on behalf of the entire Board of Trustees, we wish everyone a beautiful summer season!

THE MANCHESTER COORDINATING COUNCIL MEETING

MCC monthly meeting was held on March 28, 2022, partial minutes

Guest speaker Brandon E. Umba Business Administrator for Manchester Township introduced. He explained his work experience and his responsibilities as The Business Administrator.

He explained Manchester township is almost 2 different sections of town. Whiting section and Manchester proper. Whiting section of town is looking at areas for development. Trying to market the town. Council recently authorized the resolution to put out liquor licenses. The township has a number of licenses that are still open. When you put a new license out in a market that is not an established market they have to be operational within 2 years according to the state's rules or the license goes back to the town. The Council and Mayor's office are starting to see a movement of interest for our area.

American tower now manages the cell tower on 530. Brandon communicates closely with them. The cell tower will be electrified around the end of April with Verizon on and AT&T added.

When Manchester took over EMS it was taken over completely as a start-up. Call numbers were skewed during the COVID pandemic. We need an additional rig in town, we are meeting 80-85% of our calls with the rest being answered by surrounding towns.

A Guest speaker brought up that our Pinelands are a precious area that must be preserved. We have a concern about over-development and traffic problems that may arise. A traffic study is required to see the impact the development may cause. Manchester is not planning on developing undeveloped areas, they are trying to focus on the 2 shopping centers Whiting area has. What do we want to see in this area? The issue that comes up is that you allow retail in a zone but you cannot designate what retail you want in the zone. It's hard for residents to understand this. You can't say no I don't want you... but I want you. Council can specifically approve a redevelopment plan, then we can name an area that needs rehabilitation, which puts overall zoning where the council can then approve the re-development plan for that area, they can specifically designate what type of retail they want to see but under general zoning laws, you cannot do that. The 10 acres of trees just cut down for the storage facility were brought up.

A participant stated places in Whiting that are closed should be forced to keep the upkeep of their property. Have electricity that works and the grounds, sidewalks, and drive should be in good shape. She stated that there are citizens of Manchester that would like to participate in the Master Plan.

A participant mentioned the need for another grocery store in our town. The township has to be able to market stores to come in. They cannot force someone to come into town They are looking at how many people are going to patron the establishment. We gained a couple of thousand residents from the last census. We have to be able to prove people will spend the money here and not go somewhere else. A participant brought up the Red Barn opening. The property had several issues prior to the tenant signing the "as is" lease. The Township engineer is overseeing this project. Some items were done that cannot be let go. If these violation items are not addressed the township will be liable if something happens.

Regarding grants, Manchester has a private company we pay a retainer for access to a portal to show us what grants are out there. They review and choose what grants they want to apply for.

A participant voiced her concern for communities to have a backup generator.

MCC Legislative chairman distributed information regarding senior housing, flipping, rental issues, and discrimination restrictions regarding over 55 communities. A NJ Housing and Mortgage information sheet was also distributed.

Feral animal law and law enforcement were brought up again for follow-up. If Animal Control does not respond to your call, call the non-emergency police department phone number.

Councilwoman announced the recreation director Tracy Lynch asked if any veterans own a business in the town, notify the town hall and they will be given a spot at Manchester Day on June 25th.

The Environmental Commission is holding a special meeting about thinning 300 acres of forest.

The zoom meeting is on April 5th. Check their web page for details.

Your water and sewer bill has to be paid now since the stay from COVID has been lifted. There are applications at the tax office for assistance.

May 4 plastic bags will no longer be available in stores.

Meeting adjourned.

Join us for an afternoon of friendship and refreshments.

MAINTENANCE

MINUTE

Hello Residents of Village 1,

Hope everyone is managing to stay healthy during these uncertain times. For the past month, the Maintenance Department has handled 302 work orders. This month I would like to talk about the procedure for disposing of your household trash, recyclables, and bulk trash pickups. Every week we are receiving calls with residents not adhering to the correct protocol when it comes to getting rid of their household garbage.

Household Trash

Crestwood Village 1 offers weekly trash pick-up services on Mondays and Thursdays, please check the Village Newsletter for your scheduled pickup days when your date falls on a holiday. The household trash should be limited to food scraps, paper garbage, or other trash that fits inside of your standard trash bag. These bags must be put into the trash receptacles the night before or the morning of your scheduled trash pickup day by 6:00 AM. If you have an overabundance of garbage bags that cannot fit into the trash can, you can neatly place them on top of the can or next to the can. Please do not exceed 2 - 3 bags of trash. We strongly urge against placing these bags out until the morning of your pickup day to reduce the chance for critters to help themselves and cause an unsightly mess. Furniture, rugs, or other large items will require a separate pickup. Paint and chemicals are not permitted to be thrown out into the household trash. Please contact the Maintenance Department if you feel your household trash was missed on your scheduled pickup days.

If you do put any items too large for the garbage trucks to receive and the Maintenance Department has to come to remove these items, you will be charged accordingly.

Recyclables

Manchester Township provides pickup of recyclables on a bi-weekly schedule, please check the Village Newsletter for dates for your scheduled pickup days. Recyclables must be placed in a plastic container or trash can, bags of any variety will not be picked up. Your recyclables should be placed out by your garbage can on the night prior to your pick-up or the morning of your pickup day by 6:00 AM. Newspapers, periodicals or magazines can be bound in

small bundles and placed out at the same time. If you feel that your recyclables were missed on your scheduled pickup days, please contact Manchester Township directly to report.

Light Bulk Trash

Crestwood Village 1 offers a free pickup of your bulk trash on the last Wednesday of every month. This free pickup is intended to provide residents with a means to dispose of a FEW larger items, not picked up by the normal household trash pickups. It is suggested you have these items out the night before, as Maintenance begins early on these pickup days and will not be able to return to a property once their pickups are complete. This is not intended to clean out an entire unit. Please call the Maintenance Department to schedule a pickup of your bulk trash.

Maintenance Minutes continued

In-House Pickups

The Maintenance Department can be contacted to assist in the removal of items too large for residents. This is a chargeable work order and is dependent upon the amount of stuff to be removed from the unit. Contact the Maintenance Department to request current pricing and schedules.

Whole House Cleanouts

The Maintenance Department can be contacted to assist in cleaning out an entire unit if needed. This is a chargeable work order and is dependent upon the amount of stuff to be removed from the unit. Contact the Maintenance Department to request current pricing and schedules.

Moving Boxes

Crestwood Village 1 will remove, for free, any moving boxes for new residents. Please break down the boxes and stack them in an orderly fashion, then call the Maintenance Department and we will remove the boxes for you. This service is only provided once to new residents.

If there are ever any questions or concerns please contact the Village 1 Maintenance Department.

Thank you,
The Maintenance Department
