Village Happenings...

Happy Fall Everyone! The weather is turning, leaves are changing and the air is crisp. Let's see your Fall decorations, mums, pumpkins, etc. I love this time of year!

As of this writing, the golf course is closed. Sand traps are being redone and golf course maintenance. If not already, the golf course should reopen shortly. Hope to see you out there enjoying the Village perks!

We, in the office, see a lot of people and puppies walking back to enjoy the dog park. Don't forget to bring some water for the dogs. They are still working on the area for all to enjoy. The area is sprayed monthly for mosquitos so they should not be a problem. There are a couple of benches but feel free to bring your lawn chair and let the dogs run!

I again have to ask to please pick up after your dogs. We have also had golfers encounter piles on the golf course. **Dogs are NOT permitted on the golf course.** We do have bags in the dog park for picking up. Please be sure you carry bags to pick up elsewhere. Please be a responsible dog owner.

We are always looking for ways to increase our revenue. The Board has voted and approved increasing our Membership Fee to \$2,000 effective with resales closing January 1, 2024. This will not affect our current members, just new members. This money is dedicated for our Reserve Fund which funds large expenditures. With the age of the Village, we feel it is necessary to supplement this fund as unanticipated expenses always come up. We work hard to keep our Members monthly fees down. This is not an easy task as the cost of everything has gone up and continue to increase. Of course, Real Estate Tax is not ours to determine. This is determined by Manchester Township Tax Assessor. We all know we can expect this to increase yearly. We can only determine our common charges. The Board will continue to work to keep the common charges as reasonable as possible.

Unfortunately, I have to announce the resignation of our Treasurer, Jim Maloney. He was an asset on this Board. He worked diligently on our expenses. He will be greatly missed. The Board has appointed Coleen Mattiacci as our 7th board member. She will be taking over working resales, meeting with new Members. Of course, she will continue to put together our newsletter. Mary Ann Gatti will be taking over as Treasurer. Although I will miss Jim, I believe Coleen will be a great asset on the Board and Mary Ann will do a great job as Treasurer. I wish both of them the best with their positions.

Thanks to all for completing the required HOPA form for the office! We are set until 2025. At that point, we are required to have everyone update their HOPA's.

Until next month,

Nancy DeNoia

As a new resident, we welcome you to Crestwood Village 1 and wish you comfort and happiness in your new home. As a new resident, we hope you will take note of the Residents Club notices and plan to be present at the next meeting on **October 9th at 6:30 pm.**

You will have an opportunity to meet your neighbors and we get a chance to shake your hand and give you a warm welcome.

The Golf Club will have a table at the Crestwood Village One Residents Club Flea Market to be held on Saturday, November 18, 2023

All members who want to contribute "unwanted treasures" for sale should bring those items to the clubhouse on 92 Fairway Lane on Friday, November 17. All proceeds from the sale of goods will be your contribution to the Golf Club's treasury and benefit the improvement of our golfing facility.

MAINTENANCE

MINUTE

Happy Fall to the Residents of Village 1!

Total Work Orders Completed (past 30 days) = 303

Well, it didn't take long for the leaves to change and start falling. This month I would like to discuss some items regarding the changing seasons and what you can do to help prepare yourself for the cooler months ahead. As most of us already know, we can get some heavy winds ripping through the Village which can and probably will cause damage in one way or another...hopefully this article will help you to prepare. If there is any damage from something of yours hitting into another person's property (Co-op included) you will be financially responsible for any related damages.

Lawn Décor

It's about that time to start breaking down your Summertime related décor and furniture. Please pull in any lawn furniture you have out, either on a patios or on the lawns. Close and store any umbrellas, remove canopy/gazebo covers and any seasonal items should be removed. Crestwood Village 1 respectfully requests that these items be stored in garages, sheds or porches for safekeeping. If you cannot store items in any of these locations, then please NEATLY store them against your unit, in a location that will not be a potential eyesore for the next 6 months. Just a reminder, there should be no gasoline cans or propane tanks left around your building.

Brush and Bag Procedure

Every Thursday, the Village 1 Co-op provides removal of brush and bags for our residents. Please take advantage of this awesome service. There are several guidelines for you to follow to make this as efficient as possible, especially when considering the 1,016 individual units that are present here in Village 1.

The Village 1 Co-op humbly requests that on-street parking be limited on Thursday's brush and bag pickups. Especially down in the courts, people tend to "spread out", making it very difficult for our large grass truck to make it through sometimes. If there are excessive vehicles on the streets or down the courts at the time of service and the workers deem the situation hazardous, they have been directed to go pass the street or court and will not make a return trip until the following Thursday. If the situation continues, the Village 1 Co-op will revisit the on-street parking policy here in Village 1.

- Brush and bags must be out the night before or by no later than 6:30 AM the morning of Thursday's pickup;
 - Raking and/or blowing the leaves to the curbs is NOT PERMITTED and will not be picked up the Co-op;
 - There will be no return trips or doubling back for calls regarding missed pickups or late callers. There are 4 workers on the trucks doing the pickups and is highly unlikely that we are missing any piles or bags;
-

- Typically, there are 2 vehicles making the rounds, 1 for brush and 1 for bags;
- Brown paper recyclable lawn and leaf bags are the only types of bags permitted to be picked up and used for yard clean ups;
- These bags are for leaves, pine needles, acorns and pine cones;
- The workers will leave your bags if there is evidence of improper materials stored; sticks, planters, excessive soil, rocks, etc. and if it is too heavy. The intended materials are not heavy and should not make the bags heavy enough where the workers struggle to get them in the truck;
- These rules are promulgated by Manchester Township and they can revoke our dumping privileges if they are not abided to;

- Brush is to be left in neat piles by the curbside, on the lawn;
- The brush will be picked up and chipped up as we make our way;
- Excessively large piles of brush may not be picked up. If it appears that the brush piles were left by a subcontractor, a call will be placed to the resident, as it is pretty obvious when this occurs.

As always, please contact the Trustees Office or the Maintenance Office for any questions or concerns.

Thanks and take care!

Your Maintenance Department

KIRMS PHOTOGRAPHY Autumn Colors

Autumn is here and I'm looking forward to photographing this year's fall foliage. The leaves are starting to change. Hopefully the colors this year will be spectacular.

Before the colors are at their peak I look for individual trees that have great color. I also scout out areas that I think will look great at peak time so I'll be ready when the leaves finally turn. I prefer areas that have the trees reflected in water.

Check out the farm markets for some colorful shots and don't forget the cranberry harvest. Fallen leaves make interesting patterns, so don't forget to look down. Rolls of hay in the fields also make nice images.

A great way to enhance your images is using a polarizing filter. This filter works the same as polarizing sunglasses – it is designed to cut glare and reflections. Removing the glare from the leaves makes the colors brighter and more saturated. Simply rotate the polarizing filter until the sky or leaves are at their darkest.

Fall Foliage images are best shot on days when there is no wind. By scouting a great location ahead

of time, using a polarizing filter, and applying good rules of composition you'll get some fantastic shots of this autumn's spectacular show. As always you can email me with any photographic questions or problems at bill@KirmsPhotography.com. Feel free to visit my site www.KirmsPhotography.com if you'd like to see some of my work. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
