Village Happenings...

Hello again,

Spring has arrived. I hope winter weather is gone.

This month I'd like to write about two concerns, the dog park and a safety issue'

Sofia's Park:

First we would like to thank Jim and all of the volunteers that created the park (s). Many residents are enjoying both parks.

Included in last month's newsletter was a small article regarding some safety issues. A sign will be posted at the parks listing the various rules to help keep the parks (s) clean and a fun place for all dogs.

From last month +;

- All dogs must be licensed through Manchester Township which would include vaccinations. Manchester has their own requirements that we have no control over.
- Registration can be done on line at;
<https://manchestertwp.com/dog-licensing-sdl-portal/>
A paper application is included in last month's newsletter
- You also have to register with the office at Village 1, bring your license. Once you are registered ID cards will be issued
- The dog parks are for Village 1 residents only
- Prohibited from the park, Human or Dog food/treats, Glass containers, dogs in heat, sick dogs and puppies under 4 months
- The sign regarding various rules will be posted as soon as it's completed.

Safety:

Our street lights do a lot to brighten our streets at night and early morning. However, many of our buildings are not well lit. Keeping an outside light on may cost a little more but it may help to prevent more costly problems. Some residents have installed Ring Doorbells. They have cameras and can be direct wired, battery operated or run on solar power.

MANCHESTER COORDINATING COUNCIL

The MCC monthly meeting was held on March 25, 2024, at Village 5 Clubhouse, Schoolhouse Rd, Whiting, NJ.

The meeting began with the Pledge of Allegiance and a moment of silence.

Bayada Registered Nurse Loretta Machin and Michele RN were introduced. Bayada is a home health organization that is a Medicare provider. Bayada provides a complete continuum of Care at home. They offer home health care, which includes nursing care, private duty, occupational therapy, physical therapy, speech-language pathology, medical social work, and personal care assistance. Assistive Care (assistance with ADL's activities of daily living), Adult Nursing, ventilator monitoring, trach care, tube feeding, med treatment, and education. Hospice care provides end-of-life care. This includes medical Care, assistive Care, counseling, social, spiritual, and emotional Care, therapy and dietary services, med and med equipment, and bereavement services. Telehealth was popular during COVID, but it is not recommended now for every Drs visit since the doctor is not able to get a reading of your vital signs, which is essential when diagnosing. She suggests that if you require services, shop around and know what services are available. Seniors' social lives still need improvement. Some seniors are still feeling socially isolated.

Jim Vicaro, Councilman, announced tonight's Council meeting. The topic is a solar presentation to bring solar energy into Manchester.

Judy Noonan, legislative chairman, reported that there was no news about the bills being monitored. Pay extra attention to what's going around you. Trustees and Administrators must continue to be aware of everything happening in their homes.

Next meeting Monday, April 22, 2024.

The meeting adjourned at 3:00PM.

Anna Marie Russo

MCC Recording Secretary

Beef and Noodles with Sour Cream & Paprika

VILLAGE 1
Recipes

2 tbsp. butter	1 Lb. Ground Beef
1 tbsp. Minced Onion	1 minced clove garlic
½ Lb. Sliced Mushrooms	¼ cup dry red wine
Juice of 1 lemon	2 beef bouillon cubes
1 cup hot water	2 cups uncooked wide noodles
1 cup sour cream	Salt, pepper & paprika to taste

Cook ground beef in large quart pot until cooked. Drain off fat. Return to pot. Add butter, onion, garlic and mushrooms. Saute until vegetables start to sweat. Add wine, lemon juice, bouillon cubes and water. Simmer uncovered for 10 minutes. Add noodles. cover and simmer for 15 minutes or until noodles are tender. You might have to add a small amount of hot water if necessary. Add salt, pepper and paprika. Stir in sour cream and heat gently.

Make 4 servings. Enjoy

OCEAN COUNTY RECYCLES

RECYCLE COACH APP

Don't miss the ice cream truck!

Look out and listen for the "Mr. Softee" jingle as it comes through the neighborhood.

COVID TEST KITS

The Board of Health is providing COVID-19 test kits for residents, available at the office upon request while supplies last.

PLEASE CURB YOUR DOG

We have received several complaints regarding dogs defecating on lawns and their owners not picking up after them. Not picking up your dog's poop is a sign of disrespect towards those around you. It is also a surefire way to ruin someone's day when they step into it.

SOFIA PARK PASSES

Please come to the office with a copy of your dog license to register your pup for the dog park. Manchester Township will give you a receipt for the license which states the dog's name and license expiration date. We will also need to see your ID showing your Village 1 address. You will receive a pass which will need to be shown at the dog park. This will help us enforce Village 1 pups only. Without this pass, you will be asked to leave.

We are available to issue passes Monday – Friday from 9am - 3:30pm

We look forward to seeing you and your dogs!

COUNTY CONNECTION

The County Connection in Ocean County Mall will come to our Clubhouse on **May 10th** from **9:00 AM to 3:00 PM**. They will be processing passports and offer free notary services. They also will have up-to-date information & contacts for all Ocean County government departments.

More information will follow in May's newsletter.

Women's Club

Our next meeting is on Tuesday, April 16, 2024 at 1 PM.
This month we will be having a presentation by “Butter Me Up” from Toms River. We will have a tasting of their delicious mini scones and flavored butter. You will have a chance to purchase some items at the end of the meeting.
For those who have not yet paid, dues will be \$10 for the year.
We will continue to collect for the food pantry.
Join us for an afternoon of friendship and refreshments.

The Township of Manchester Energy Aggregation Procurement Cooperative (MEAPC)

MEAPC Program Update
March 2024

Manchester Township, as the lead agency of the Manchester Energy Aggregation Procurement Cooperative (MEAPC) recently completed a two-year contract with Energy Harbor for electric supply. The two-year contract commenced in December 2021, and ended in December 2023. Unfortunately, prices were not sufficiently favorable to award a new contract this fall, and residents were returned to utility service at their December 2023 meter read. The JCP&L Basic Generation Service energy supply rates remain the best option for Township residents for the near term.

The Township of Manchester and their energy agent, Gabel Associates, have been closely monitoring the energy market for savings opportunities and are planning to bid for a new energy supply contract this spring. An award will be made only if bids received are lower than JCP&L's energy supply prices. The Township will notify residents if a new contract is signed, and the program is again active. Please monitor the Township's website for any updates.

The Township of Manchester is aware that suppliers may be reaching out directly to individual residents to offer supply contracts. The Township recommends that residents instead wait for a new MEAPC supply contract as a new contract, if awarded, will be compared to JCPL energy supply prices to make sure that residents will save some money vs. utility rates.

MAINTENANCE

MINUTE

Hello Residents of Village 1!

Total Work Orders (past 30 days) = 242

With the first day of Spring behind us, I wanted to discuss Spring clean-ups and the issues that are commonly seen during this “waking up” time of the year. I say waking up because the flowers and trees go into bloom, local wildlife re-emerge, residents return from alternate locations and a lot more residents are out and about. This Maintenance Minute will briefly discuss a couple of topics, but if you ever have a question regarding how a situation applies to you, please do not hesitate to contact the Trustees Office ((732) 350-1818) or the Maintenance Department ((732) 350-2202) for clarification.

Exterior Spring Cleaning

As many of you aware, the three foot (3') perimeter around the unit is the responsibility of the resident. If you want to put down stone or mulch that is acceptable, we only ask that you properly grade these landscape beds to below the bottom of your siding to prevent any drainage issues. If you want to hardscape (concrete, pavers, etc.) or to plant new shrubs or trees, a request must be submitted to the Trustees Office for approval. Locations must be approved to ensure sewer cleanouts are not covered and that the shrubs/trees are of a species or type that will not overgrow the sides of the buildings or sidewalks. If permission is not requested and approved and these plantings become an issue, the Board of Trustees reserve the right to remove these plantings at the cost of the resident.

The Maintenance Department does provide lawn and leaf bags for the cost of \$5 for 5 bags. The bags are for leaves and pine needles only, they are not intended for sticks, soil, rocks or grass clippings. Manchester Township will not accept bags when we deliver them to the dump if they are loaded with this debris and the Village could lose its dumping privileges. When the Maintenance Department is collecting the bags and brush on Thursdays, they have been directed to not pick up bags that are not leaves and pine needles. Branches, twigs and sticks are to be piled up alongside of the bags for pickup.

Dog walkers are not allowed to dispose of their plastic dog waste bags in the storm sewers in the Village and along Schoolhouse Road. Disposing of your animal waste in the storm sewers is illegal and could potentially cost the Village a significant amount of money if and when the storm sewers become backed up. If you are caught disposing of your plastic dog waste bags into the storm sewers, you will be reported and penalties will be assessed. Please pick up after your dogs and dispose of any waste bags in the trash receptacles at your house or around the village...it's just common courtesy and a problem that can be easily avoided.

Wildlife Issues

With the changing weather, as is always the case, we see a significant increase in “Crestwood critters” making entry into units around Village 1. The critters are typically raccoons and/or squirrels making entry into our attic spaces. When doing so, they are ripping and tearing the shingles on the edge of the roofs and destroying the plywood underneath the shingles. Many times, the critters make entry into one side of the building and seek safety at the furthest point of the opening. So even if there are no holes along your unit, you could still be hearing noises in your attic space or soffits. Please take the time to look around your unit to see if you have any obvious looking holes around. A rule of thumb that we in Maintenance follow is that if you are hearing something during the day, it is typically a squirrel, as raccoons are nocturnal creatures. So if, you are hearing something during the middle of the night, more than likely we are dealing with a raccoon. **IF YOU FEEL THAT SOMETHING IS IN YOUR ATTIC, PLEASE CALL MAINTENANCE...DO NOT ATTEMPT TO ENTER THE ATTIC.** You could come face to face with an angry mother raccoon defending what she thinks is her nest.

The removal of these critters can be a lengthy and difficult process...it is never an immediate correction. We have to set traps, check them regularly to make sure we remove the critter prior to performing any repairs. When we can confirm that the critter has been caught or has found somewhere else to go, then we must do the repairs. These repairs typically involve new plywood, new shingles and aluminum flashing. It could take a week before a resolution is complete. Let's face it, if they want to make entry, they will. Rest assured we are responding immediately to any calls regarding these Crestwood critters. Also, you should not feed any wildlife. As leaving any type of food around the building will only invite these critters (and others) to your door and potentially into your living space. When coming to investigate wildlife/critter issues, the Maintenance Department will look for food sources/housing and will report those units or buildings to the Trustees Office as necessary.

Be safe and healthy!

Thank you,
Your Maintenance Department
